1. The minutes and resolutions of the previous meeting, held on 13.6.23, were read and confirmed by the members present in the meeting.
2. A detailed discussion on the seven criteria of the SSR was made for the preparation of the college SSR. All the members of the IQAC exchanged their views and came to the conclusion that a serious effort has to be made on the part of the all stakeholders since the college is running far behind the actual requirement for the preparation. In this circumstances, a decision was taken to convene an all-staff meeting by the Principal on 9.8.23 to orient them about this SSR preparation and to distribute the responsibilities among them.

3. The decision was taken to submit the proposal for the organization of ^{conferences} seminars/workshop etc. by the department to the IBAC before puja vacation every year. Consideration of the proposals submitted after the puja vacation will be situation specific.

Since there was no other issue to discuss the meeting ended with the vote of thanks.
